Methodology

The IEFP's support measures, which includes professional training, promotion of employment and the professional integration of disable people, are vast. Beneficiaries often use a sequential set of support measures. Thus, the most common routes/sets of measures were defined.

This value refers to the sum of the costs incurred with a youth who has enjoyed from the following measures:

- 1. Learning Course (9.538€)**- Expenditure associated with the promotion of training courses in alternation, between a training establishment and a company. This cost represents the average cost of course attendee per hour, based on the direct in the year 2016.
- 2. Professional internship (4.909€)**- Financial support granted to those who promote 9 months – internships. This cost represents the average cost of 9-months internships completed in 2016, without any interruption.
- 3. Employment Award (1.351€)**- Financial award granted to those who hire past interns, through a contract without term. This cost represents the average value of the applications approved in the past (2017).

More information on each of these measures can be found on the [official web site](#).
