Methodology

The IEFP's support measures, which includes professional training, promotion of employment and the professional integration of disable people, are vast. Beneficiaries often use a sequential set of support measures. Thus, common routes/sets of measures were defined.

This value refers to the sum of the costs incurred with a handicapped/ disabled person, who has enjoyed from the following measures:

1. Integration of handicapped / disabled people employment contract (6.458€)- Financial support for the promotion of socially useful activities to handicapped or disabled people, for a maximum period of 12 months. This cost refers to the average value of the contracts concluded in 2016, with a duration of 9 months without any execution failures.

2. Professional integration internships (6.819€)- Financial support for the development of activities to be undertaken by handicapped or disabled people in a working context, for a maximum period of 12 months. This cost represents the average value of the internships completed in 2016, with a duration of 12 months without any execution failures.

More information on each of these measures can be found on the [official website](#).
