

# Temporary integration of a beneficiary of social integration subsidy

Cost	Reliability	Entities
4193.0 Per Episode	C	IEFP - Instituto de Emprego e Formação Profissional

Update Likelihood	Reference Year
Low	2016

## Methodology

This value refers to sum of the costs incurred with a beneficiary of social integration subsidy, who has enjoyed from the following measure:

**Employment Integration Contract** - Financial support for the integration a beneficiary of social integration subsidy into socially necessary labour activities. This cost represents the average value of contracts concluded in 2016, with a duration of 12 months without any execution failures.

More information on each of these measures, as well as on the methodology followed and results yielded, can be found on the [official website](#).
